To the Meeting for Sufferings

The Trustees of the New Bedford Meeting
House and Burial ground property propose that
the Meeting for Sufferings give them advice in re-
gard to the future disposition of the Burial ground
under their care

The ground was purchased and used by the
New Bedford Monthly Meeting as a burial ground
for many years. The Monthly Meeting has become
extinct, and its members annexed to Dartmouth
Monthly Meeting, and there is no prospect that in
the immediate future a monthly Meeting will at that
place be again established

A record of the bodies which were interred in this
care of late years been taken up and reinterred
at North Dartmouth and it is believed that

relatives and friends are desirous or at least willing
that the remainder should be also removed.

If kept for its present use - the wall enclosing
it (which is now in a very poor condition) will need
to be entirely rebuilt at considerable expense.

Should the Mtg for Sufferings think best
and advise that the burial ground be discon-
tinued and the lot sold, the trustees would like
to have authority to use a sufficient amount of the
proceeds in effecting the removal of the remaining
bodies now there.

To the Meeting for Sufferings of
New England Yearly Meeting.

Dear Friends

At a Special meeting of the Board of Trustees of the New Bedford meeting house and Burial ground property held in Dartmouth the 7th of 6th mo 1892.

The present condition of the Meeting house property on fifth street in New Bedford, coming before us at this time, — and in view of the prospect that the house will not be needed for any regular meetings for worship in the near future as it has not been so used for sometime past (excepting for the holding of Sandwich Quarterly Meeting and Dartmouth Monthly Meeting four times in the year) it seems to us that the time has fully arrived when the case should be represented to the Meeting for Sufferings for its "advice assistance and direction" agreeably to the requirements contained in the Trust Deed of Job Eddy whereby this trust was created.

At a Special meeting of the Board of Trustees of the New Bedford Meeting House and Burial ground property held in Dartmouth 3^d of 3^d mo 1893. All present.

The following communication from the Meeting for Sufferings was received and read at this time. (viz)

At a meeting for Sufferings for the Yearly Meeting of Friends for New England; held at Westbury, Rhode Island 6th month 14th 1892; the following minute was adopted without dissent;

Whereas; Job Eddy of New Bedford, State of Massachusetts made and executed a deed of trust, to Francis Taber Francis Taber Jun and George M Eddy dated 8th month 16th 1847,

recorded in Land records of Bristol County Massachusetts Southern district, in Book 14th pages 402-403-404 & 405. conveying certain lands, and a meeting house thereon standing; in trust for New Bedford Monthly Meeting of Friends; and as such deed provides for the contingency of the disuse of said property for the purposes designated; and the disposition of the same by the trustees appointed in said deed of trust; or by their successors named in accordance with its provisions; Subject to the advice, assistance and direction of the Meeting for Sufferings of the Yearly Meeting of Friends for New England; and as this body of Friends now holding this Meeting for Sufferings at Wistary, Rhode Island, is that same Society of Friends referred to in said deed of trust;

It is the conclusion of this meeting that as the contingency contemplated by the founder of this trust has arisen; and the New Bedford Monthly Meeting of Friends designated in said deed of trust has ceased to exist and has been merged by Sandwich Quarterly Meeting to which it was subordinate, into and become a part of Dartmouth Monthly Meeting of Friends; and said Meeting house property is no longer used for the purpose originally designed; that the trustees of said property who are now the regularly appointed successors of the original trustees, shall be at liberty; and they are hereby advised and directed to dispose of said meeting ^{house} property by sale; and to apply the proceeds of such sale to the sole use and benefit of the religious society of Friends; according to the intent and purpose expressed by Job Eddy in said deed of Trust

The clerk of this meeting is directed to furnish a copy of the foregoing minutes and sign the same on behalf of this meeting, to Jesse Tucker, Isaac W. Wilbur and Job S. Gidley the present trustees; successors of those originally appointed in the deed of trust from Job Eddy. — A true copy from the minutes
(Signed) J. Barclay Foster Clerk

And it is the conclusion of the Trustees to act under the advice and direction of the Meeting for Sufferings as above given and make sale of the House and lot whenever a suitable and satisfactory opportunity offers.
